

Walter Turlo

Although ordained in 1970, accusations against Turlo dating back to the mid-1970s were not apparently known to the Archdiocese until around 2005. Turlo immediately resigned his position when he learned of the reports, but the Archdiocese continued to receive complaints that Turlo was having young boys spend the night at his residence and that Turlo was visiting parishes where he was spending time with young boys.

TIMELINE OF DOCUMENTS– WALTER TURLO

5/70 – Ordained
